Lewis & Clark Annual Awards Dinner

By Chief Jeff Golightly

Award Recipients for 2008: Flint Helligso, Christopher Paddon, Jeff Golightly, Jeff Keightly, Dan Bunnage, and Klyde Thompson

The very first Awards Dinner for Lewis and Clark RFPD was held at the Netel Grange on Logan Road in 1982. This year, our Firefighters and Board and their families, totaling over 70 people, returned to the Grange for our 27th annual dinner.

Chaplin Jerry Conklin gave the invocation, followed by Chief Jeff Golightly announcing the names of Board and Fire Department members who have passed away, while Firefighters Jerry Alderman (trumpet) and Christopher Paddon (Highland bagpipes) played "Amazing Grace" and the names scrolled up a large screen on the stage. It was a touching tribute to all who have served and passed on.

Chief Golightly then presented the following volunteer service recognition awards:
